

SEA BREEZE

Vol 19 Issue 3

March 2016

Hold on to your hats, it's that time of year again when Spring Breakers come from all around to wake Sea Colony up. How great that we will have a newly renovated clubhouse to show off. Baring any problems, the bathrooms will be finished by mid March—YAY! **PLEASE, IF YOU HAVE RENTERS, ASK THEM TO LIVE BY OUR RULES, AND IF YOU HAVE COMPANY, ASK THEM TO TREAT SEA COLONY AS THEY WOULD THEIR OWN HOME.** Please remind your renters/company to pick up after their animals both in Sea Colony and on the beach. It's not fun when children are playing on the beach and get into a pile of poop that someone has just kicked sand over.

We are back in the swing of things and to celebrate the opening of the clubhouse, the Board has offered to throw a "Salute to Indoor Plumbing" party to thank all of Sea Colony residents for their patience while we were under construction. Please see more information regarding this party in the newsletter.

Several of you have shown an interest in shirts with the Sea Colony emblem on them. Hopefully, we will have some that you can see at the April 1st party. After you see the sample, if you are still interested in having one you may contact Doug Meyer at meyernote@gmail.com or Myra Smith at myrabsmith@yahoo.com. Or simply talk to one of them at the party.

I hope all of you have noticed the work that has been going on at the entrance to Sea Colony, and how nice it is looking. There is still more work to be done; however, it is already a lot safer when you pull out of Sea Colony and can see all the way to the south. The north side will be completed soon.

ENHANCEMENT PROJECTS UPDATE FROM THE BOARD

- **Bathrooms:**

Mid-March the partitions will be installed which will be the past phase of the remodel.

- **Under brushing at the front of Sea Colony:**

This project is currently being worked on and will be finished soon. This will greatly enhance the visibility and; therefore, the safety for those exiting Sea Colony.

- **The North Walkover:**

Repair and some redesign of this area will begin around April 4th and will be completed by May 1st in consideration of Turtle Season.
