Welcome Sea Colony Homeowner.

Welcome to your new home. You have probably selected Sea Colony for the same reasons most of us have!!! It is a hidden paradise along scenic A1A, with beautiful beaches, a spacious pool and spa area and well-maintained homes.

We understand purchasing a home brings a lot of confusion with closing, paperwork, packing and moving, and finding out about your new community. That is why we have provided this simple guide to assist you in settling in. Please take a moment to review this guide and keep it handy.

If you have any questions about Sea Colony, please contact Renee at the HOA office, 386-445-5838 or rbolak@lelandmanagement.com.

Sincerely,

George Guiliano
President
